Re: Lakeview Rock Products, Inc., Beck Street Quarry M 035/020 - Salt Lake County

Dear Mr. Hedberg:

Included is a copy of the reclamation plan that was developed for Salt Lake City. In reviewing that plan it covers most if not all of the required information. We have also included the latest aerial survey topo maps and photos.

As you are aware we have recently purchased the Breitling Pit. You will also notice that our final grading plan incorporates both properties.

If you have any further questions please call me at 801-292-7161.

Sincerely,  
Lakeview Rock Products, Inc.
